Filament & Stretchable Tapes & Dispensers

①④ Scotch® Filament Tape 897

- Translucent polypropylene film backed product.
- Reinforced with glass yarn filaments.
- Light-duty tensile strength, nick resistance, abrasion resistance and good handling for utility applications.
- Suitable for bundling and reinforcing and pallet unitizing applications.

UPC Number	Size	Qty/Case
021200-86524-4	18mm x 55m	48

3M™ High Strength Tapes— Bundling & Reinforcing Solutions

3M has developed a wide range of high strength tapes specially designed for the bundling and reinforcing challenges faced in the industrial marketplace. Applications for these high-performance products can vary dramatically—from tabbing the end lap of metal coils to stabilizing pallets to reinforcing large bulk containers or just a single carton. These tapes balance tensile strength and adhesive holding power, even under extreme conditions, providing secure, cost-effective solutions for a variety of strapping, bundling and reinforcing applications.

①④ Scotch® Filament Tape 880NR—Clear

- High performance.
- Reinforced with continuous, polyester yarn filaments that give the tape high tensile strength, high impact resistance and high cut resistance.
- Backing provides excellent abrasion, moisture and scuff resistance.
- Adhesive is specifically formulated to provide an excellent balance of high initial adhesion and long-term holding power to fiberboard, metals, printed and painted surfaces including applications where higher temperatures and/or lightly oiled surfaces are involved.

UPC Number	Size	Qty/Case
021200-48445-2	18mm x 55m	48
021200-48446-9	24mm x 55m	36
021200-48448-3	48mm x 55m	24

①④ Scotch® Filament Tape 880—Clear

- High performance.
- Reinforced with continuous, polyester yarn filaments that give the tape high tensile strength, high impact resistance and high cut resistance.
- Backing provides excellent abrasion and moisture resistance.
- Adhesive is specifically formulated to provide an excellent balance of high initial adhesion and long-term holding power to fiberboard, “non-oily” metals and printed and painted surfaces.

UPC Number	Size	Qty/Case
021200-39842-1	12mm x 55m	72
021200-39844-5	18mm x 55m	48

①④ Scotch® Filament Tape 898NR

- High-performance transparent packaging tape.
- Reinforced along its length with continuous glass yarn filaments, which give the tape very high tensile strength.
- Transparent backing provides excellent abrasion, moisture and scuff resistance.
- Adhesive is specifically formulated to provide balanced performance having both high adhesion and long-term holding power.

UPC Number	Size	Color	Qty/Case
021200-48450-6	18mm x 55m	Clear	48
021200-48451-3	24mm x 55m	Clear	36

①④ Scotch® Filament Tape 894—Black

- General-purpose packaging tape.
- Reinforced with continuous glass yarn filaments that give the tape high tensile strength and low stretch.
- Backing provides excellent abrasion and moisture resistance.
- Adhesive is specifically formulated to provide an excellent balance of high initial adhesion and long-term holding power to most surfaces.
- When used in bundling, reinforcing, or coil tabbing applications, where high temperatures and/or oily surfaces are involved, tests should be conducted per the individual application before extensive use to determine the tape’s suitability.
